

**“Training on Accessing Horizon 2020 Funding opportunities”
&
“ERECCI Brokerage Event”**

Cairo University, Faculty of Engineering, Main Conference Hall

Cairo – 23rd of May 2016

Horizon 2020 Funding Opportunities:

The EU Horizon 2020 Programme is the largest research and innovation funding programme in the world (EUR 78.6 billion). Legal entities established in Egypt are always eligible to receive funding through Horizon 2020, except where explicitly excluded in the call text.

ERECCI Brokerage Event:

The ERECCI brokerage event aims at bringing stakeholders together to share ideas about innovation and also for matchmaking between local and international industrial peers.
